Font Santa head chef Jhonatan Maldonado

and his team are on fire adapting their decorated dishes to our TCM and DETOX needs.

Jhonatan and his team cook amazing organic menus according to my TCM DETOX philosophy and received standing ovations on our first retreat.

It gives me the wonderful opportunity to be a guest at my own retreat while devoting myself to our lovely retreat guests.

Qi Gong & Mindfulness mit Thomas Hudecsek (March retreat)

Founder and owner of Taichi-schule.at

Thomas has been practicing Qi Gong & mindfulness for more than 30 years and is a master of his trade. The morning Qi Gong sessions are a wonderful energizing experience whether under old pine trees or directly at the beach.

Qi Gong is especially beneficial in spring supporting detoxification after winter.

Thomas` lessons are fun, easy to follow and very inspiring.

Haki Flow by Harald Kitz (March retreat)

Founder and owner of Haki.cc

Harald's highly decorated Haki Flow treatment (*Haarper`s Bazaar SPA Award Mandarin Oriental, Gala SPA Award Bad Ragaz etc*) brings us back to a place of peace and deep relaxation – far beyond what words can express.

Harald - we call him our water shaman - moves and stretches our body through beautifully healing warm thermal water for an entire hour.

Time seems to stand still. The treatment relaxes shoulders, neck, spine and pelvis. It brings us into a state of

peaceful aliveness and calms our busy minds. www.haki.cc
